READ :—

Correspondence ending with letter No. 769, dated 29th January 1894, from the Inspector General of Prisons, suggesting the necessity for certain modifications in the Rules applicable to convicted and under-trial prisoners in Lock-ups.

No. 19405—J.F. 39-92, DATED, BANGALORE, 12TH MAY 1894.

ORDER THEREON.—The modifications suggested being approved, the following Notification will be issued for amending the Rules above cited :—

NOTIFICATION.

No. 19406—*J.F.* 39-92, *dated, Bangalore,* 12*th May* 1894.

The Government of His Highness the Maharaja of Mysore direct that the following additions be made to Rule 44 of the Rules published under Government Notification No. 12632—J.F. 39-92, dated 20th January 1893 :—

In clause (B) line 1 between the words "Imprisonment" and "shall" insert "whether such sentence be passed in a single case or is the cumulative sentence made up by two or more separate sentences each of which is for a term of 30 days and under."

(2) Add to Rule 44 I the following proviso :—

"(3) Provided also that under the orders of the Inspector General of Prisons any European or Eurasian prisoner may, notwithstanding any direction contained in this Rule, be sent to the Bangalore Central Jail, when the term of imprisonment awarded or the accommodation available renders the incarceration of such prisoner in a Lock-up unadvisable or inconvenient."

T. ANANDA ROW,
Chief Secretary.

2. *Opening Balance.*—The year 1891-92 was one of 15 months from 1st April 1891 to 30th June 1892, but, for the sake of comparison, a period of 12 months only from 1st July 1891 to 30th June 1892 has been taken. Thereby, however, as much of the balance outstanding at the end of March 1891 was collected during the ensuing quarter, the arrears brought forward on 1st July 1891 appear unusually small.

3. Notwithstanding the increased demand for 1892-93, the uncollected balance at the end of that year has been less in all Districts than what it was at the close of the previous year. The collections have thus been better and have kept abreast of the increased demand. The Districts of Chitaldroog and Tumkur are noticeable in this respect.

4. The closing balances when compared with the balances shown in the annual Demand Collection, and Balance statements (*viz*, No. 32 or supplemental) differ as shown below :—

District.	Closing balance as per— Monthly Accounts (Nos. 4 and 5.)	Annual Accounts No. 32 or supplemental.
Bangalore ...	45,925	41,348
Kolar ...	92,161	93,418
Shimoga ...	72,669	72,688

These discrepancies should have been explained in the statements themselves. The figures will be reconciled by separate correspondence, and here it will only be observed that the statements received from the Bangalore District are capable of much improvement in accuracy and care in their preparation.

5. ***Forest.***—The accompanying statement shows the Demand, Collection and Balance under this head as compared with the figures of corresponding months of last year.

2. The Mysore, Bangalore, Shimoga, Hassan and Kadur Districts show heavy deposits.

3. Items to the extent indicated below, which should have been credited to Government under Circular Orders, dated 19th May 1893, No. 6048—51, issued by the Comptroller, are still held *in deposit apparently with no justification* :—

Mysore District.—Eleven items aggregating Rs. 5-11-6, the oldest of them being dated 29th July 1892.

Shimoga District.—Ten items aggregating Rs. 5-12-3, the oldest of them being dated 8th July 1892 in the Shimoga Munsiff's Court.

Hassan District.—Four items aggregating Rs. 2-7-0, the oldest of them being dated 10th August 1892.

Kadur District.—Two items aggregating Rs. 1-2-9, the oldest being dated 21st July 1892.

Kolar District.—Seven items aggregating Rs. 3-7-6, the oldest being dated 20th July 1892.

Tumkur District.—Ten items aggregating Rs. 16-7-2, the oldest being dated 18th February 1890 in the Maddagiri Munsiff's Court.

4. In the statement from the Bangalore District, some of the deposits pertaining to Sub-Judge's Court, Bangalore, have not been properly arranged according to dates on which they were deposited : and against the two marginally noted numbers, no amount is shown in the statement.

No 518 of the Munsiff's Court, Bangalore.
No. 91 of the Munsiff's Court, Tumkur.

5. In the following statements, *viz* :—

(1) For the Mysore District,
(2) For the Chitaldroog District, and
(3) For the Tumkur District (excepting deposits shown against Maddagiri Amildar's Court),

the column of remarks is left blank.

6. The Treasury Officers of the Districts of Kolar, Mysore, Kadur and Chitaldroog have again given the deposits with reference to the Treasury in which they are respectively placed and not as was ordered in Proceedings No. 4921—R. F. 87-92, dated 16th September 1893, with reference to the Courts to which they relate, or by which they have been made.

No. 19075-84—R. F. 103-93, DATED, BANGALORE, 4TH MAY 1894.

ORDER THEREON.—Ordered that a copy of the above be forwarded to the Chief Court, the Comptroller and to Deputy Commissioners of Districts for needful action. The Government desire that Registers should be frequently scrutinized and steps taken for speedy adjustment of each deposit.

READ:—

Letter. No. 882—114, dated 6th September 1893, from the Excise Commissioner and its enclosures, of which the following is an abstract:—

During the late Races, one Aiyasami Pille obtained a permit from the Vice-President for opening a temporary refreshment room at the Races and began selling European liquors under it.

2. As the permit referred to was one under the Municipal Regulations and he should have had besides another license from the Deputy Commissioner under Section 13 of the Excise Act and Foreign Liquor Rules, this fact was brought to the notice of the Head Supervisor, who reported the same to the Deputy Commissioner and suggested that a special license may be granted to Aiyasami for one year on his paying Rs. 25—0—0 as license fee under Rule V of Foreign Liquor Rules.

3. The Deputy Commissioner, Bangalore District, considered a fee of Rs. 5—0—0 sufficient for the term of four days that the Races would last, and after the issue of a license accordingly reported the same to the Excise Commissioner.

4. In forwarding the correspondence on the subject, the Excise Commissioner submits for approval a draft notification to amend the Foreign Liquor Rules so as to provide in them rules for the issue of licenses for the sale of foreign liquors at such occasions as race meetings, fêtes, &c.

5. The proposed additional clause authorizes the Deputy Commissioner to exercise his discretion in the matter of fixing the license fee not exceeding Rs. 20—0—0 on each occasion and the term of the license for periods not exceeding ten days at a time.

No. 18967—R. F. 119-93, DATED, BANGALORE, 5TH MAY 1894.

ORDER THEREON.—The Excise Commissioner's recommendation is accepted, and sanction accorded to the issue of the following notification:—

Notification No. 18968—R. F. 11993.

In virtue of the powers conferred by Section 55 of the Excise Act XXII of 1881, the Government of His Highness the Maharaja are pleased to make the following additions and amendments to the Foreign Liquor Rules published under Government Notification No. 31, dated 9th May 1889:—

I. At the end of Rule IX insert the following additional Rule:—

X. "Occasional licenses for the sale of foreign spirits and foreign fermented liquors at refreshment stalls in connection with public entertainments, namely, race meetings, fêtes, &c., shall be granted by the Deputy Commissioner of the District at his discretion for periods not exceeding ten days at one time, and at such fees not exceeding Rs. 20 on each occasion as he may determine, in the same form as Refreshment Room license."

2. For the words "31st March" occurring in the aforesaid Foreign Liquor Rules and the Licenses appended thereto, the words "30th June" shall be substituted.

The following Demand, Collection and Balance statements of the several Districts of the Province for the 8 months ending 28th February 1894 —

No. 4. Land Revenue.
„ 5. Casual Land Revenue.
„ 2. Sayer Collections.
„ 8. Forest and Assessed taxes, &c.
„ 9. Miscellaneous Collections.

No. 18826-34—R. F. 56-93, DATED, BANGALORE, 5TH MAY 1894.

ORDER THEREON.—The accompanying statements prepared in this Office and marked 1, 2, 3, 4, 5 and 6 respectively show the Demand, Collection and Balance under the heads "Land Revenue," "Forests," "Sayer," "Salt," "Mohatarfa" and "Miscellaneous Collections" respectively for the 8 months under review as compared with the corresponding period of last year.

2. *Land Revenue including Casual Land Revenue.*—Under Land Revenue including Casual Land Revenue, the falling off of Rs. 40,897 under Demand in the Mysore District requires the Deputy Commissioner's notice. The balances remaining uncollected in the Districts of Mysore, Shimoga, Kadur and Hassan are heavy and of long standing. The Deputy Commissioners concerned are requested to take early steps to adjust them before the close of the present collection season, collecting the recoverable ones and submitting remission statements for the irrecoverable items.

3. *Forests.*—Under Forests, the decrease under Demand of Rs. 24,740, 11,518, 5,085 and 4,337 in the Hassan, Bangalore, Chitaldroog and Kolar Districts respectively is unaccountable. The heavy balances of Rs. 1,01,163, 9,498, and 8,085 in the Mysore, Hassan and Kadur Districts respectively claim prompt attention of the Deputy Commissioners concerned.

4. *Sayer.*—Under Sayer, a small balance of Rs. 596 in Tumkur at the end of February and a decrease in Demand in the Bangalore, Shimoga and Kadur Districts are noticed.

5. *Mohatarfa.*—Under Mohatarfa, balances of Rs. 17,998 and 13,794 remaining uncollected in the Kolar and Mysore Districts respectively are large, and call for the early attention of the Deputy Commissioners.

6. *Miscellaneous.*—The attention of the Deputy Commissioner of the Mysore District is drawn to a decrease of Rs. 27,602 under Demand under "Miscellaneous." The arrears of Rs. 18,789 and 12,510 outstanding in the Districts of Mysore and Shimoga under this head should be collected without delay.

T. ANANDA ROW,
Chief Secretary.

To—The Deputy Commissioners of Districts.

No. 19451-9—R. 2065, DATED, BANGALORE, 12TH MAY 1894.

ORDER.—In supersession of the existing rules and practice in regard to the acceptance of relinquishments of lands held on coffee tenure, the Government resolve to issue the following instructions. A Notification to this effect will issue in the Mysore Gazette:—

I. Relinquishments of the entire occupancy or of whole survey numbers may be accepted whatever be their area subject to the conditions of Section 74 of the Land Revenue Code.

II. When a portion of a survey number is relinquished, the relinquishment may also be accepted, if the portion given up, and that left after deducting the area given up is not less than 15 acres. In this case also, the conditions of Section 74 of the Land Revenue Code should be enforced.

The Superintendent of Revenue Survey in Mysore.

No. 19532-66—R. F. 236-92, DATED, BANGALORE, 12TH MAY 1894.

ORDER.—The following additions and corrections are ordered with reference to Government Proceedings No. 19520-60– R. F. 236-92, dated 20th May 1893 (Review on the Revenue Administration Reports for 1889-90 and 1890-91):—

I.—For Rs. 72,21,916-1-11 shown as the total wet assessment under column 5 of the statement given in page 78, read Rs. 27,21,916-1-11.

II.—Add the following foot note to the enclosure to statement 9 B in page 78 of the Proceedings:—

"NOTE.—The figures in columns 4 and 5 above are inclusive of the area and assessment of sugarcane and mulberry lands, while the figures given in statement 9 B, page 68, columns 11 and 12, are exclusive of them. Hence the difference between the two statements as regards the total area and assessment of wet lands"

ORDER.—The Government of His Highness the Maharaja of Mysore resolve to issue the following Notification:—

Notification No. 20105—R. 2133.

The Government of His Highness the Maharaja are pleased to direct that for para 10, Appendix E, alluded to in Rule XXVIII of the Land Revenue Rules issued under Government Notification No. 150, dated 22nd July 1890, the following be substituted:—

"10. The sale shall be by public auction under the usual conditions and the "land shall be knocked down to the highest bidder above the upset price fixed, "whereupon the purchaser shall deposit a sum equal to 25 per cent of his bid, and "in default of such deposit, the property shall forthwith be again put up and sold. "The full amount of purchase money shall be paid before sunset of the 15th day "from that on which the sale of the land took place, or if the said 15th day be an "authorized holiday, then before sunset of the first Office day after such 15th day."

"10 A. In default of payment within the prescribed period of the full amount "of purchase money, the deposit, after defraying thereout the expense of the sale, "shall be forfeited to Government, and the property shall be resold, and the default-"ing purchaser shall forfeit all claim to the property or to any part of the sum for "which it may be subsequently sold, provided that in any case in which the enforce-"ment of this condition may involve undue hardship, it shall be competent to the "Deputy Commissioner to submit the necessary recommendation for the order of "Government."

"10 B. If the proceeds of the sale, which is eventually made, be less than "the price bid by such defaulting purchaser, the difference shall be recoverable from "him by the Deputy Commissioner as an arrear of land revenue."

"10 C. The deposit of one-fourth of the upset price made by the applicant "under para 8 above, shall, if the land be knocked down to him at the auction, be "credited towards his deposit of 25 per cent of the purchase money, and it shall be "refunded to him, if the land is purchased by any other person in the auction."

READ :—

Letter No. 1906—216, dated the 26th November 1893, from the Excise Commissioner in Mysore, to the Chief Secretary to the Government of Mysore.

With reference to para 3 of Government Proceedings No. 16339-40—R. F. 117-93, dated 1st April 1893, I have the honor to submit the following proposals for placing on a permanent footing the temporary Detective Staff therein referred to.

2. The permanent Detective Staff sanctioned in Government Proceedings No. 1152, dated 24th March 1890, and the temporary Detective Staff sanctioned in the Proceedings quoted in para 1 above are particularized below:—

Permanent Detective Staff.	*Temporary Detective Staff.*
Two at Rs. 60+15 each.	Three at Rs. 75+15 each.
Two at Rs. 50+15 each.	Three at Rs. 60+15 each.

3. Of the above hands, four Detective Assistant Supervisors with one Assistant Tester and two peons under each are now employed in the Kadur District, and six Detective Assistant Supervisors with one Assistant Tester and two Peons under each in the Shimoga District. Besides these, there is one General Assistant Supervisor on Rs. 40+15 in the Kadur District and one General Assistant Supervisor on Rs. 50+15 in the Shimoga District, as per scale sanctioned in Government Proceedings No. 1152, dated 24th March 1890, so that there are now five Assistant Supervisors in the Kadur District and seven in the Shimoga District. That there is not sufficient work for so many Assistant Supervisors in these two Districts is evident from the undermentioned cases detected by each of them since July 1892, when all the Detective Assistant Supervisors were posted there to prevent and detect illict distillation:—

Ranges.	Names of Assistant Supervisors.	Cases of illicit distillation detected.	Other Cases detected.
Koppa	Aiman	8	...
	Saldana	1	...
	Madan Singh	...	6
Tarikere	D'Costa	9	9

Shikarpur	Rajendram Pille	11	3
Channagiri	Mascarenahs	...	...
Honnali	Madan Singh	1	...
	Total ...	43	29

The Deputy Commissioner, Kadur District, has reported that three Detective Assistant Supervisors with one General Assistant Supervisor are sufficient for his District, as per following distribution :—

For Kadur and Tarikere Taluks 1
Per Koppa Taluk 1
For Mudgere Taluk 1

The General Assistant Supervisor to look after the detective work in the Chikmagalur Taluk in addition to his general duties.

The Deputy Commissioner of the Shimoga District is of opinion that the whole six Detective Assistant Supervisors and one General Assistant Supervisor may be retained in his District; but the Excise Assistant Commissioner of the District submits the following proposal :—

"Two Detective Assistant Supervisors are too many for the Shimoga Taluk which having a "number of Thandas close to one another can be easily controlled by one, whereas two would "create a clash of interest and local jurisdiction. The number of Thandas in the Sorab Taluk "is too small to require the supervision of a separate Detective and might with advantage be "amalgamated with Shikarpur. The remaining two Taluks in which there are some Thandas, "namely, Channagiri and Honnali, might be given one Detective each. I would therefore submit "that the retention of four Detective Assistant Supervisors would meet the requirements of the "District."

I agree with the Excise Assistant Commissioner, but would make the distribution as follows:—

	No. of Detective Assistant Supervisors.
For Shimoga Taluk ...	... 1
For Sorab and Shikarpur Taluks	... 1 with head-quarters at Shikarpur.
For Honnali and Channagiri Taluks	... 1 with head-quarters at Honnali.
For Tirthahalli, Nagar and Sagar	.. 1 with head-quarters at Kallurkatte, the present Kasaba town of the Nagar Taluk.

The General Assistant Supervisor to help the Detective Assistant Supervisor of the Shimoga Range in detective work in addition to his general duties

Though there are no Lambani Thandas in the Taluks of Tirthahalli, Nagar and Sagar, yet an Assistant Supervisor is necessary for them to prevent the smuggling of liquor and drugs from British Territory, and also for the supervision of arrack and drug depôts and shops in them,

4. After thus providing for the actual requirements of the Kadur and Shimoga Districts, three Detective Assistant Supervisors are available to meet the wants of the remaining Districts. Prior to the location of the whole Detective Staff in the Kadur and Shimoga Districts, the four permanent Detective Assistant Supervisors had been employed in the following Districts:—

Bangalore	1
Kolar	1
Kadur	1
Shimoga	1

Since the transfer of the two Detective Assistant Supervisors from the Bangalore and Kolar Districts to the Kadur and Shimoga Districts, the supervision over the depôts, and arrack and drug shops in the two former has been considerably weakened, as a single General Assistant Supervisor in each of those Districts can scarcely be expected to efficiently and frequently supervise the following depôts and shops:—

District.	No. of Arrack Depôts.	No. of Ganja Depôts.	No. of Arrack Shops.	No. of Ganja and Opium Shops.
Bangalore excluding the City	20	11	198	20
Kolar	13	12	176	20

Under the new system, the protection of Excise Revenue and the sale of wholesome and undiluted liquor to the public, depend mainly upon the frequent, repeated and faithful inspections of depôts and shops by Excise Officers. In the Bangalore District, some of the shops are at a distance of nearly 48 miles from the head-quarters of the Assistant Supervisor, and the shops in the Chikballapur Sub-Division of the Kolar District are from 60 to 70 miles from the head-quarters of the Assistant Supervisor, who has heavy inspection work in the Kolar Gold Fields and in the Taluks of Kolar, Bowringpet, Mulbagal, Malur and Chintamani. Therefore for want of efficient supervision in the Closepet and Chikballapur Sub-Divisions, dilution of liquor and other mal-practices cannot but take place in depôts and shops. I believe that want of efficient supervision is the main cause of the decrease of consumption of arrack in the Bangalore District, excluding the City, as per particulars below:—

Consumption for 12 months in 1891-92.		Consumption in 1892-93.		Decrease.	
G.	D.	G.	D.	G.	D.
66,258	39	65,601	32	657	7

Separate Assistant Supervisors are therefore urgently needed for the Closepet and Chikballapur Sub-Divisions. The want of a Detective Assistant Supervisor is felt in the Hassan District, in the *Malnad* portion whereof illicit distillation is suspected to be carried on. Under such circumstances the available three Assistant Supervisors mentioned above will be distributed as follows.—

To Closepet Sub-Division	1
To Chikballapur Sub-Division	1
To Hassan District	1

93 Detective Assistant Supervisors at Rs. 75+15 each
3 Ditto ditto at „ 60+15 each.
6 Assistant Testers for the above at „ 10+5 each
16 Peons, 2 for each of the above and one additional peon for each of the existing 4 permanent Detective Assistant Supervisors.
1 Clerk for the office on Rs. 25.
Total cost Rs. 738 × 12 = 8,856 per annum.

5. As the six temporary Detective Assistant Supervisors with their staff * sanctioned in Government Proceedings No. 16339-10—R. F. 117-93, dated 1st April 1893, are accordingly permanently wanted, I beg to solicit sanction to transfer them together with the Clerk to the permanent establishment.

6. In most of the Districts, the Treasury Officers are placed in charge of the Excise duties. They are not in a position to go about and check the work of the Excise officials. The duties of Excise Officers, so far as regards the preventive and detective work, are similar to those of Police officers, and whenever they have to make searches, they are legally bound to secure the presence of a Police officer in the receipt of a monthly salary of not less than Rs. 10. I am therefore of opinion that it would be advantageous in every way to place he

Excise Staff of each District under the Superintendent or Assistant Superintendent of Police of the District, giving him an additional allowance from the Excise Revenue for the extra work devolving upon him. I beg to recommend the following scale of allowances for the various Districts.—

	District	Proposed Scale of allowance.			Remarks.
1.	Kadur	50	0	0	In consideration of the work in these two Districts being heavier in connection with the Detective Staff.
2.	Shimoga	50	0	0	
3.	Bangalore	30	0	0	
4.	Mysore	30	0	0	
5.	Kolar	30	0	0	
6.	Tumkur	30	0	0	
7.	Hassan	30	0	0	
8.	Chitaldroog	30	0	0	

No. 19222-31—R. F. 117-93, dated, Bangalore, 4th May 1894.

Order thereon.—Under the circumstances represented in the above, sanction is hereby accorded for transfer to the permanent establishment of the temporary Detective Staff sanctioned in Government Proceedings Camp No. 1152, dated 24th March 1890, and repeated in Proceedings No. 16339-40—R.F.117-93, dated 1st April 1893, with the exception of the Anglo-Vernacular Clerk on Rs. 25 for whom provision will be made in the revised scale of establishment for the Excise Commissioner's office which forms the subject of a separate order.

2. The staff now sanctioned will stand as follows:—

			Rs.
3	Detective Assistant Supervisors	at Rs. 75+15 each	= 270.
3	Ditto ditto	at „ 60+15 each	= 225.
6	Assistant Testers ...	at „ 10+ 5 each	= 90.
16	Detective Peons ...	at „ 8 each	= 128.
		Total per mensem ..	713

3. The recommendation made by the Excise Commissioner to post three of the Assistant Supervisors to the Closepet and Chikballapur Sub-Divisions and the Hassan District, is also sanctioned subject to a report being submitted as to their work at the end of the year.

4. The Excise Commissioner's proposals as regards placing the Excise Department of the Districts under the respective Police Superintendents or Assistant Superintendents do not commend themselves to the Government. A good active officer with technical knowledge is required to direct the Executive Detective Staff. Without such direction the staff is bound to deteriorate. Detection of illicit distillation cannot, it is feared, be successfully carried on under the arrangement above sanctioned. The Excise Commissioner will report the cases of illicit distillation detected during the six months from January to June, and what steps he would propose to take to ensure better results in future. The sanction above given is subject to orders on such proposals.

REVENUE--FOREST.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue-Forest),— dated 4th May 1894.

READ —

Papers ending with letter No 35—4, dated 7th July 1893, from Inspector General of Forests, of which the following is an abstract —

In Government Proceedings No 13057-65—Cir. 281, dated 19th February 1891, the duty on Kakké bark was fixed at Rs 6—0—0 per cart-load, subject to a report at the end of a year's trial.

2. In his letter No. 2194—174, dated 28th October 1892, the Inspector General reported that with the exception of the Deputy Commissioner of Kolar all other Deputy Commissioners stated that very few licenses were issued for the bark, and that the Deputy Commissioner of Kolar was in favor of raising the rate to Rs 8—0—0 As there was demand for the bark in some quarters, and as more than treble the ordinary quantity could be loaded at one time, the Inspector General proposed that the rate might be enhanced and the separate levy of fuel seigniorage on the barked wood might be merged in the license fee of Rs. 8—0—0.

3 In reply to a call for certain statistics, the Inspector General has submitted a statement from which it appears that no licenses were issued and no revenue realized in the Chitaldroog, Shimoga, Kadur and Hassan Districts during the period referred to. The figures for the other Districts are as follow —

	Cart-load.	Revenue. Rs A. P
Kolar	574	3,414 0 0
Tumkur	148	888 0 0
Bangalore	143	870 6 0
Mysore	7	42 0 0
Total.	..872	5,244 6 0

The revenue in Kolar has been larger than that in Bangalore or Tumkur and is due chiefly to export to Her Majesty's Territory.

4 In regard to barked wood, the Inspector General states that a sum of Rs. 538—2—0 was recovered for 1,722 cart-loads as seigniorage from the purchasers of the bark in the Kolar District, and as this system does not prevail in other Districts, nothing was collected, and the wood was either left to rot where felled, or was removed by fuel license-holders. In the Tumkur District, licenses for barked wood were in some cases specially applied for and a fee of Rs 7—8—0 was realized on 20 cart-loads

5 As the present rate comes up to Rs. 6—15—0 in the Kolar District, the Inspector General thinks that its increase to Rs. 8—0—0 is not much and can be fairly imposed

No. 19159-67—R. F. 134-93, DATED, BANGALORE, 4TH MAY 1894.

ORDER THEREON.—The Inspector General's recommendation is sanctioned. The following Notification will be issued in the Government Gazette.

No 19168—R. F. 134-93, DATED, 4TH MAY 1894.

NOTIFICATION.

In supersession of Notification No. 37, dated the 24th April 1891, it is hereby notified that until further orders the duty on Kakké bark (Cassia Fistula) throughout the Province is fixed at Rs. 8 per cart-load inclusive of seigniorage on barked wood, which the license-holder is permitted to take along with the bark.

2. Besides the forests above mentioned, arrangements are stated to be in progress for the addition of new tracts.

3. The survey work does not appear to have made much progress during the year. One forest and a few plantations in Kadur and Mysore were surveyed during the year. The Inspector General of Forests is requested to report the quantity of surveying work that remains to be done and the probable time within which the existing establishments will be able to complete it.

4. The work done in connection with the protection of forests from fire was satisfactory. The area attempted to be protected during the year was 1,328 square miles against 1,164 square miles and the failures 77 square miles against 55 square miles of the previous year.

5. Government recognize the desirability of closing the Reserved Forests as far as possible from cattle grazing in the case of young forests, but the necessity is not so apparent in the case of mature forests, where trees are fully grown and are out of harm's way. Moreover, it is not expedient to close the forests absolutely, as it may cause much inconvenience to the neighbouring villagers. The Inspector General should therefore endeavour to guard against injury to the trees as much as possible by either limiting the number or kinds of animals grazed or by fixing the period during which the grazing is allowed; but where it is absolutely necessary, he is of course at liberty to close the forests altogether from cattle grazing. He is requested to make a separate reference on the subject of raising the license fee referred to in para 69 of his report.

6. Mr. Ricketts points out the difficulties attendant upon the various methods usually adopted for promoting the natural growth of forests. He thinks that the removal of the undergrowth is expensive, that thinning is easier but usually results in a rank undergrowth, and that the system of coppicing cannot be resorted to everywhere, as there are several descriptions of trees which do not coppice well. Of course, it is impossible to lay down any general rule on the subject. The methods adopted for their reproduction must vary with the conditions of the Forests. The best way seems to be to divide the several forests into different blocks according to their conditions and to prepare a working plan for future guidance showing in the case of each block (1) the worthless or less valuable descriptions of trees which should be removed, (2) the nature of thinning required in it, (3) the manner in which the vacant spots should be plant-

ed or sown, (4) the trees which coppice well and (5) all such other points as require attention. The Government would be glad if Mr. Ricketts would give the benefit of his large experience and prepare such a working plan for at least some of the principal forests. The principles and methods of preparing a working plan are fully given in the "Notes on the preparation of Forest Working plans" by W. E. D. Arcy, a copy of which will be obtained and forwarded to the Inspector General for his use.

7. *Plantations.* – The total area planted up to date is stated to be upwards of 18,000 acres, of which 1,100 were planted during the year under review. This apparently includes the entire area sown or planted in vacant grounds in forests as well as in plantations properly so called. If so, the information given is not of much practical use. The area shown under Plantation should consist only of Regular Plantations maintained as gardens, such as Casuarina or Teak plantations, and if seeds are simply sown in forests under bushes, in pits and vacant grounds, it should be regarded as an aid to the natural growth of forests and the same merely noticed in the report. Mr. Ricketts is requested to submit a statement showing the area of Regular Plantations, the number, description and value of trees in each, the cost of establishment employed for its maintenance both in the year and up to the year, the receipts obtained in and up to the year with full explanation in regard to the situation of the plantation, whether it is in the Reserved Forest or outside the same. The object is to see how far these plantations pay.

8. The financial results of the year are shown below :—

Items.	Details.	Receipts.	Expenditure.
1	Timber and other produce removed from Forests by Government agency—		
	(*a*) Sandalwood	9,80,203	55,549
	(*b*) Timber, firewood, bamboos, grass and other produce	4,36,498	1,59,906
2	Timber and other produce removed by consumers or purchasers	1,69,159	491

	Total Kheddas ...	78,840	1,11,272
	Grand Total ...	16,85,295	7,23,470

9. The results above shown are on the whole satisfactory, but the figures given do not give an idea of the working profit of the year. The receipts include the collections on account of former years and do not include the value of timber removed during the year but not yet disposed of. Likewise the expenditure is partly on account of works done in previous years and the expenditure which ought to be debited to Capital Account is mixed up with that which ought to appear under Revenue. The expenditure under (*b*) is large, being nearly 38 per cent of the receipts. The Government would be glad to have a statement in the Form given below showing the working profit of each year, at least an approximate estimate, in preparing which the following principles should be remembered, *viz.*—

(1) All expenditure incurred on account of permanent improvements should be debited to the Capital Account and only the interest of the accumulated Capital at 4 per cent shown under Expenditure.

(2) All expenditure incurred in the purchase of live stock, tools and plant, which are likely to last for more than one year, should likewise be debited to Capital Account and its interest and a fair percentage of it for depreciation shown under Expenditure.

(3) Collections and expenditure on account of previous years should be added to and deducted from the current year's figures.

(4) The stock remaining unsold should be taken into account, whether it is in the Timber Depôt or in the Forests or in transit.

Deduct decreased value by do 100							
				Total.. ...	8,900	0	0

10. The figures given in the above form are merely imaginary. It may not be possible to maintain a separate account in the above Form for each forest, but the Government apprehend no difficulty in preparing it for the whole Province or for each group of forests, the timber of which is brought into one Depôt. Of course, a Capital Account of expenditure incurred for permanent improvements and for the purchase of tools and plant from the commencement will have to be maintained and adjusted from time to time.

11. ***Khedda Operations.***—The total receipts under this head for the year 1891-92 amounted to Rs. 78,840. Deducting from this Rs. 28,450* realized in 1890-91 but credited in the accounts of the year 1891-92, the income actually derived on account of this year is only Rs. 50,390,† whereas the expenditure incurred was Rs. 1,11,272 exceeding the actual income by Rs. 60,882 or 120 per cent. The Inspector General, however, explains that since the necessary capital expenditure has been incurred for permanent stockades and live stock and tools and plant required for future operations, it would be possible to reduce expenditure in future years and realize a surplus revenue.

Petition, dated 20th June 1890, from Mr Singiachar, requesting the refund of Rs 8 levied from him as Mohatarfa cart-tax in respect of a mail phæton kept by him for personal use.

2. Docket, dated 21st July 1890, No. 542, from the Deputy Commissioner of the Mysore District.

3 Petition from Mr. Singiachar, dated 4th February 1893, L. No 1722

No. 18450-8—L. F. 252-92, DATED, BANGALORE, 1ST MAY 1894

ORDER THEREON.—The cart-tax was intended to be a profession tax on the calling of carriers, and this is borne out by the language used in Chief Commissioner's General Circular No. 3, dated 27th September 1871, issued in explanation of the cart-tax rules. It is stated in the circular that "all carts drawn by pairs of bullocks and "of the description ordinarily used for carrying 'loads', are chargeable with the pre-"scribed tax, although such may be the private property of persons who are not "professional merchants or traders." It is clear from this that the tax was intended to be levied upon carts employed in carrying trade of the country, whether the goods carried belonged to the owners of the carts or not. As petitioner's mail phaeton does not come under the above description, the sum of Rs. 8 levied from him will be refunded.

Letter from the Deputy Commissioner of Shimoga, dated 20th May 1889 No. 117—10

I have the honor to bring to the notice of the Government that though it is now 10 years since the passing of the Proceedings of the Chief Commissioner, No. 3362-73—Muni 161, dated 27th September 1879, abolishing the separate levy of Mohatarfa and Municipal tax on houses situated in Municipalities, the old order of things still continues in Tirthahalli and has formed the subject of complaints to me since 1887.

2. The difficulty in introducing the new system has arisen from the Rameswaradevar temple being declared entitled to the Mohatarfa revenue of the village of Padavanhalli included within the limits of Tirthahalli town, and also from the claims set up by Subrayin Agrahardars and by the Putge Matt to Mohatarfa in the village of Kuravalli also included within the town of Tirthahalli. There was nothing to prevent the new system being adopted in the villages of Tirthahalli and Melnage, the two remaining villages that went to form the Tirthahalli town but pending the decision of the question of Mohatarfa in the larger components of Padavanhalli and Kuravalli, the old system would appear to have been maintained in the first named villages also

3. Under Proceedings of the Dewan No 1110—78, dated 4th May 1882, marked No. II in red ink in the Memorandum herewith submitted, the Agrahardars and the Matt have been declared not entitled to the Mohatarfa of Kuravalli. There then remains only the question of extending the new system to the village of Padavanhalli, which, if solved, would clear the way for the Municipality being placed on the same footing as the other Municipalities in the Province

4. When last at Tirthahalli, I had repeated conferences with the townspeople and with the Panchayetdars of the temple and spoke to them about the anomalous state of things in Tirthahalli I explained to the Panchayetdars that they stood in the position of Government as regards Mohatarfa, and as their village happened to be situated within Municipal limits, they ought properly to contribute to the cost of the conservancy of the town. The majority of the towns-people were for the house tax being assessed under the new system. The Panchayetdars of the temple on the other hand, contended that taxing the houses on valuation would result in loss to them, and if, in addition, they had to contribute from their reduced Mohatarfa to Municipal charges, their revenue would be seriously diminished After further discussion they felt convinced of the unfairness of subjecting the houses in Tirthahalli Municipality to two separate taxes and agreed to one consolidated rate being adopted, and to allot one-fourth of the Mohatarfa realizations of Padavanhalli to the Municipal Fund I tried to persuade them to agree to one-third being assigned to the Municipality. They urged, and with reason, that even one-fourth of the total Mohatarfa would lessen their income by Rs. 264-6-0 and put them to the necessity of curtailing expenditure all round,

5 From statement E, it will be seen that the expenditure of the temple during 1887-88 was Rs 967—6—8, and the income from Mohatarfa was Rs 1,032, whereas under the proposed arrangement ¼ths of the taxes will give the Devasthan only Rs 767—10—0, and thus the temple will have to meet a deficit of Rs. 199—12—8 under this head of income.

6 I would, therefore, recommend that the offer of the Panchayetdars, to allow ¼th of the collections under the new system to be utilized for Municipal purposes, be accepted.

7. I may note here that some of the Panchayetdars of the temple are also Municipal Commissioners, and are as much interested in the prosperity of the Municipality as in the temple. The temple itself is under Muzarayi management, and as Officer responsible for the well-being of the temple, I have given much thought to the subject, and consider the proportion fixed as very fair to both institutions under present circumstances.

8. It will be seen from statement marked D that under the new system, the Government, the temple, and the Municipality all suffer in their income; but the people get appreciable relief in taxation, the amount remitted being Rs. 345, the collections under the heads Mohatarfa and Municipal house tax under the present system being Rs. 1,601 and under the new system Rs. 1,256. The Municipal income, however, suffers only to the extent of Rs. 59 and this can be easily made good by levying Octroi on some articles such as oil, sheep, fish imported into the town. The town is a rising one, and the Octroi will not be much felt by the people, and will not materially interfere with trade.

9. In Chief Commissioner's Proceedings No. 5216-17—Muni 259, dated 8th January 1880, marked I in the Memo, the present system was ordered to be continued and information was called for on certain points. This information was supplied in this Office letter No. 210, dated 26th July 1880, marked J in the Memo.

10. I consider the arrangement now proposed is equitable to all the interests concerned and gives appreciable relief to the residents of the Municipality and makes the taxation in the town of Tirthahalli uniform with that obtaining in the other towns of the Province, and further meets the views of the Chief Commissioner conveyed in his Proceedings No. 5216-17—Muni. 259, dated 8th January 1880, marked I in red ink in the Memo, quoted below:—

"The levy of a separate House tax for Municipal purposes in addition to the Mohatarfa levied by the Inamdar cannot but prove needlessly oppressive. If the Inamdar is entitled to collect "a House tax as distinct from a mere ground rent, it will be but fair to make him bear the expenses of Municipal conservancy".

11. Vernacular papers as per Férist are herewith submitted.

Letter dated 17th July 1893, No. 47—35 from the Deputy Commissioner of Shimoga.

With reference to Government Proceedings No. 3839-49—L. F. 161-92, dated 8th September last, and in continuation of this Office letter No 21—15 of 8th instant, I have the honor to report on the recent remission of the Municipal taxes in the Tirthahalli Municipality.

2. The revision has been made by myself with the help of Municipal members and other leading residents of the town and the results are subjoined:—

Net increase Rs. 203—0—0.

3. A comparative statement of the taxes under the two principal heads, *viz.*, House tax and Shop tax is appended.

4. There are no looms or oil-mills in this town.

5. The decrease of Rs. 24 under "Cart tax" was owing to the exemption of agricultural carts in pursuance of the Government Proceedings No. 1886—293, dated 3rd May 1892.

6. The net increase of revenue according to the present revision is Rs. 203.

7. Having consulted the Municipal members of the Board as to the wants of their town, I beg to recommend that Government may be pleased to forego their half share in the increase now obtained at least for the next five years, so that the Municipality may be enabled to effect the improvements urgently required.

8. A programme of works to be taken up during the next five years is under preparation and will be submitted as soon as ready.

9. An order has been issued that the annual Kammi Jastis made in the taxation in future at the time of the Jamabandi should be subject to the approval of the Deputy Commissioner and President of the Municipal Board.

10. The most important feature in the revision recently effected is the abolition of the separate tax called "Kachara Terige" on houses amounting to Rs. 412-8-0 in the last year, and substitution of a single consolidated tax, with due regard to the requirements of the Municipality as well as of the temple which hitherto received in the Inam portion of the Town, the whole of the Mohatarfa tax, the Municipality receiving the small Kachara Terige on the same houses since 1865.

11. This additional Terige was most obnoxious, and had to be levied for the ordinary conservancy, &c., of the town since the question of the temple contributing a sufficient sum to the Municipality has not yet been decided.

12. The question was for the last time submitted for the orders of Government in 1889 by Mr. Madhava Rao, B. A., the then Deputy Commissioner, who, with the consent of the Panchayet under the Muzarayi management, proposed that ¼th of the Mohatarfa paid to the temple might be paid to the *Municipality.

*Vide his letter No. 117—106 of the 22nd May 1889.

13. With deference to his proposal, I regret considerably to be compelled to differ from him and to state that under the circumstances the temple which stands in the position of Government ought to meet all the charges of the Municipality, or contribute at least one-half of the Mohatarfa it receives.

14. Though the Mohatarfa improved considerably consequent on the improvement of the Municipal Town, the whole of the Mohatarfa in the Inam portion going to the temple for more than a quarter of a century, has proved highly detrimental to the Municipality, and it is but fair that the question long pending should be decided once for all in accordance with the common rule of paying half the Mohatarfa to Government and the other half to the Municipality.

15. Previous to 1861-62, the Mohatarfa collected never exceeded Rs. 46-3-8, the old Beriz.

16. In 1860-61, it amounted to Rs. 44-10-0, of which the Jodi of Rs. 26-15-1 was paid to Government, leaving a balance of Rs. 17-11-9 for the temple.

17. The Mohatarfa received by the temple last year amounted to Rs. 1,021, while it amounted to Rs. 1,032 in 1889, when the Panchayet consented to pay one-fourth thereof, *viz.*, Rs. 258 to the Municipality, leaving Rs. 774 for the temple.

18. It is important to note that according to the revision, the Mohatarfa of the Inam portion amounts to Rs. 1,476-8-0, and one-half thereof is very nearly as much as what the Panchayet then wanted to be left for the temple.

19. It may thus be seen that to receive one-half from the Municipality is in no way unfair to the temple, and the contention of the Panchayet that not more than one-fourth should still be received from the Municipality, is exceedingly unfair.

20. Before the constitution of the Panchayet in 1870, there was only an Archaka for the management of the affairs of the temple. Since the Panchayet was formed, it raised the establishment from time to time and it stands as follows:—

		Rs.
1.	Archak per mensem	4
1.	Parcharaka	4
1.	Uliga (Peon)	5
	Bhajantris	5
1.	Shanbhog	6
	Sanskrit School Master	8

21. The Bhajantris (barbers) as admitted by a member of the Panchayet were introduced chiefly for the service of the Malnad Town. It appears that there were no permanent barbers in Tirthahalli before, and those who visited occasionally had to be paid higher wages. The Panchayet evidently increased the expenditure, for it had plenty of money at command.

22. Not to say anything of the other items of expenditure which may admit of reduction, it is obvious that the Shanbhog and peon may at once be dispensed with, the Town Shanbhog and Patel doing the work as elsewhere.

23. I have directed the Amildar to credit one-fourth of the Mohatarfa of the Inam portion to the Municipality and hold another fourth in deposit, leaving the remaining half to the temple pending final settlement of the question by Government, and trust that it maybe determined as early as practicable.

24. I have further directed the Amildar to credit the Mohatarfa of the Sarkar portion of the town in equal parts to the Government and the Municipality, as this question appears to have got mixed up with the first question detailed above and remained undisposed of, although there was nothing to prevent its settlement then and there.

25. I have sent a copy of Mr. Madhava Rao's * letter with enclosures and an extract of this letter (paras 10 to 20) together with a list of the receipts and expenditure of the temple for the 15 months ended 30th June 1892 for the information of the Secretary, Muzarayi Department, who, I hope, will be able to agree with my proposal to pay half the Mohatarfa to the Municipality, and to regulate the future expenditure of the temple according to its present requirements.

*No. 117—106, dated 22nd May 1889.

26. I am not at all for curtailing the expenditure of the temple in any way undesirable, but I simply mean to do away with the useless and unnecessary expenditure for the good of the temple itself.

No. 18646-7—L. F. 161-92, DATED, BANGALORE, 3RD MAY 1894.

ORDER THEREON.—The Government approve of the action of the Deputy Commissioner in abolishing "Kachara Terige" in the Tirthahalli Municipality.

2. Government accept the recommendation of the late Deputy Commissioner Mr. Madhava Rao and direct that from 1st July 1894, the Rameswara temple of Tirthahalli be allowed $\frac{3}{4}$ths of the Mohatarfa collected in the Inam portion of the Muncipality, and the other $\frac{1}{4}$th credited to the Municipality.

3. The subject of allowing the Muincipalities the entire Mohatarfa collected in them is under the consideration of Government, and orders will be issued in due course.

The following letter from the Comptroller, dated 31st January 1894, No. 1284 .—

As directed in Government Proceedings No. 5045-55—L. F. 42-92, dated 20th September 1893, I have the honor to submit herewith a statement showing the amounts of Imprests proposed by the Presidents of the several Municipalities, the amounts of monthly average expenditure during the year 1891-92 and 1892-93 and also the amounts of Imprest proposed by me. I consider that the Vice-Presidents of Municipalities can conveniently get their Imprests recouped at least thrice a month and oftener if their work are heavy and more funds are required. I think therefore that about a third of their monthly average expenditure, if granted them as Imprests, would meet all the requirements especially as payments of establishment and of bills for important original works can be made by the Presidents themselves by means of cheques as such payments ought to be.

A draft of instructions for operating upon these Imprest amounts is also herewith submitted.

DRAFT RULES.

1. Imprest holders are personally responsible for the amounts of Imprests entrusted to them.

2. Advances to workmen should be resorted to very rarely and only when there are positively no other alternatives for pushing on with the works under their charge. Advances to the extent of Rs. 10 may be made on proper vouchers by Vice-Presidents on their own responsibilities and of sums above with the sanction of the President. Such advances must be shown in the Imprest Cash Book under Cash Balance as advances to such and such workmen Imprest holders are personally responsible for advances made of and below Rs. 10 and primarily responsible for advances of higher sums made on their recommendation.

3. No payments can be made out of Imprests for establishment or for original works, the estimate amount of which exceeds Rs. 100, and for repairs costing more than Rs. 200. Payments in such cases being made by Presidents on bills submitted to them by means of cheques.

4. Imprest Cash Book should be maintained in duplicates on the Public Works Department Form Serial No. 3 and entries made as the transactions occur from day to day. When half the amount of Imprest has been spent, the Cash Book must be closed and the original sheet together with all the vouchers submitted to the President for recoupment.

5. All disallowances, alterations and corrections made by the President in checking and passing the Imprest Cash Sheet should be duly noted in red ink in the counterfoil of the Imprest Cash Book and the Cash Balance corrected where necessary in red ink under the initials of the Imprest holder. Only such items of expenditure as have been duly checked and passed and recouped by the President shall be brought to monthly accounts.

6. No Imprest Cash Sheets received by the President after the 25th of the month shall be recouped by him during that month.

7. All recoupments must be made by Presidents by means of cheques alone issued in time to be cashed before the expiry of the month to which the recoupment relates.

8. Imprests Cash Sheets received after the 25th of the month should be recouped on the 1st working day of the next month and the items of expenditure brought on the accounts of that month.

No. 18727-37—L. F. 442-92, DATED, BANGALORE, 4TH MAY 1894.

ORDER THEREON.—The amounts of Imprests recommended by the Comptroller to be allowed to the Vice-Presidents of Municipalities are sanctioned as shown in the above statement.

2. The draft instructions submitted by the Comptroller are approved and circulated to the Deputy Commissioners for their information and guidance.

T. ANANDA ROW,
Chief Secretary.

To—The Comptroller to the Government of Mysore.
The Presidents of Municipalities.

READ THE FOLLOWING PAPERS:—

(1). Letter No. 637, dated 4th December 1893, from the Deputy Commissioner, Mysore District.

Adverting to para 5 of the Government Proceedings No. 8056-64—L. F. 299-92, dated 16th November 1895, fixing time for cashing Municipal cheques, I have the honor to submit the following for consideration and sanction of Government.

2. If the cheques are issued from this Office made payable to contractors and other private parties, it is not possible to cash them within 5 days. The maximum period fixed for cashing must necessarily be not less than 20 days. As this will not obviate discrepancies in the accounts, permission may be granted to draw cheques in future in favor of the Amildar and Vice-President in all cases so that they may be cashed within 5 days and the amounts kept in deposit till payments can be made to the parties concerned in due course.

3. An alternative procedure which may be adopted with advantage is that a statement showing the number and amount of cheques remaining uncashed on account of each Municipality, should be submitted at the end of each month. This is followed in the Public Works Department and is not only in accordance with practice in the Account Department but will also remedy the evil complained of.

(2). Letter No. 518, dated 25th December 1893, from the President of the Municipalities in the Tumkur District.

With reference to para 5 of Government order No. 8056-64—L. F. 299-92 of the 16th November 1893, directing that the Municipal cheques should be made presentable for payment within 5 days of issue, I beg to state that the interval given is too short as the cheques issued in this Office cannot in some cases reach the Vice-Presidents within time. Some of them have therefore had to be returned and cancelled and fresh cheques issued. This not only causes delay but also waste of labor and time. I therefore beg leave to suggest that the time for cashing may be extended to 10 days.

(3). Docket No. D. 778, dated 10th January 1894, from the Deputy Commissioner, Bangalore District.

The Government Proceedings No. 8056-64—L. F. 299-92, dated 16th November last, directing that the Municipal cheques should be made presentable within five days of issue.

Adverting to the above, begs to submit that the period of five days is too short, cheques are payable in the Taluk Treasuries and are therefore sent to the Amildars. The transit occupies some time and then the Amildars have to get the payees concerned to the Head-quarters for which the remaining time is often found to be insufficient. Several Amildars have complained of the inconvenience and some of them have begun the irregular practice of cashing the cheques on receipt and keeping the money in deposit.

2. The undersigned therefore begs to recommend that the period may be extended to ten days.

(4). Proceedings of the Government of Mysore.

READ:—

Letter from the Deputy Commissioner of the Mysore District, dated 4th December 1893, No. 637, suggesting with reference to para 5 of Government Proceedings dated 16th November 1893, No. 8056-64—L. F. 299-92, *that a statement, showing the number and amount of cheques* remaining uncashed on account of each Municipality may be caused to be submitted at the end of each month in accordance with the procedure observed in the Public Works Department.

Letter and Docket dated 25th December 1893 and 10th January 1894, No. 518 and 778 respectively, from the Deputy Commissioners of Tumkur and Bangalore, stating with reference to the above quoted Proceedings, that the period allowed for cashing cheques, *viz.*, 5 days is too short and requesting that the same may be extended to 10 days.

No. 14288-91—L. F. 299-92, DATED, BANGALORE, 26TH FEBRUARY 1894.

ORDER THEREON.—The procedure suggested in the *3rd para* of the Mysore Deputy Commissioner's letter read above, may be advantageously adopted.

2. The accounts submitted by the Presidents should include all items for which cheques have been issued, the sum of the cheques undrawn being deducted in lump from the total. A provision should always be made in the Budget for payment of cheques remaining undrawn at the end of the year. The Comptroller is requested to state whether there is any objection to this procedure being adopted.

(5). Letter No. L. F. 1477, dated 10th March 1894, from the Comptroller of Mysore.

With reference to para 2 of Government Proceedings No. 14288-91—L. F. 299-92, dated 26th February 1894, requesting to be informed whether there is any objection to the procedure proposed of deducting from the total expenditure the amount of the uncashed cheques, I have the honor to state that the procedure is inconsistent with the recognized system of account keeping. The accounts submitted by the Presidents are classified under the several Budget heads, accounting for the sums drawn from the Treasury on cheques; and if these accounts are required to be agreed with the Treasury Account which only shows the cheques cashed during the month, this end may be obtained by the adoption of a Cash Balance statement as per form enclosed, which the Presidents may be directed to furnish with their monthly accounts. I may state that this form of Cash Balance is adopted by the Public Works Department, to effect an agreement between the balance at their credit in the Treasuries and that shown by them in their accounts rendered to the Examiner, Public Works Accounts.

2. The Municipal accounts as well as the District Fund accounts are now received in this Office, audited in detail, examined if they agree with Treasury Accounts and submitted monthly to Government. Such being the case I leave it to Government to decide whether this scru-

tiny alone is not sufficient and the submission by the Presidents of the duplicates of these accounts to Government be dispensed with altogether as is done in the case of other accounts.

If the Government approve of this suggestion, the monthly accounts now submitted in lump sums will be furnished duly classified under several Budget heads.

Statement of the actual Cash Balance on the day of 189 at credit of Treasury Drawing Account.

No. 19739-47—L. F. 299-92, DATED, BANGALORE, 18TH MAY 1894.

ORDER THEREON.—Government have no objection to the procedure proposed by the Comptroller and he is requested to instruct the Deputy Commissioners accordingly.

2. Government will be glad to receive classified accounts of expenditure from the Comptroller with an abstract of the Cash Balance statement and the question of dispensing with similar statements received from Deputy Commissioners will be considered hereafter.

READ AGAIN THE FOLLOWING PAPERS :—

Extract of Clause IV, para. 7 of Government Proceedings, dated 24th August 1891, No. 6227-39—L. 429.

Pound-keepers are authorized by law to meet the charges of feeding the cattle from the amount of fees collected by them. They may therefore retain such sums as they may require for feeding charges and remit the remainder only, but the Challan and the Day Book should show the total collection made, the sums retained by them for feeding charges and the balance remitted. The Treasury Officer will show in his account the whole sum collected as receipts and the sum retained by Pound-keepers as advances for charges. The President should obtain from the Pound-keeper a detailed account of the charges once a month and pass an order sanctioning the charges. When the order is passed, a cheque should be issued to the Treasury Officer authorizing him to credit the sums to advances by debit to charges. The President's order shall be the authority for the adjustment.

Letter from the Deputy Commissioner, Chitaldroog District, dated 20th December 1893, No. 434—373.

With reference to para 3 of Government Proceedings No. 17337-41—L. F. 111-92, dated 22nd April 1893, directing that fodder charges levied from owners of stray cattle under the Cattle Trespass Act be shown in the estimates of receipts and expenditure, I have the honor to state that under the practice, as at present existing, these charges are not at all brought into the Treasury accounts, nor is any other account thereof kept in Taluk Cutcherries. To remedy this unsatisfactory state of things, the procedure laid down for the guidance of Municipalities in Rule IV, para 7 of Government Proceedings No. 6227-39—L. 429, dated 24th August 1891, may with certain modifications be advantageously followed in the case of all other cattle pounds. I beg therefore to request that the necessary instructions be issued to the Comptroller on the subject.

READ:—

Letter, dated 30th January 1894, No 881, from the Deputy Commissioner of the Bangalore District, submitting the District Fund Budget Estimates of the Bangalore Circle for 1894-95.

No. 20162-6—L. F. 226-93, DATED, BANGALORE, 25TH MAY 1894.

ORDER THEREON.—Government resolve to review the Budget Estimates of the District Fund of the Bangalore Circle for 1894-95.

2. The income of the Circle for the year under the several heads is estimated at Rs. 69,960, against Rs. 66,499, the actuals of 1892-93, and Rs. 64,377, the sanctioned estimate for 1893-94, as shown below:—

Items.	Details.	Actuals of 1892-93.	Estimate for 1893-94	Estimate for 1894-95.
		Rs.	Rs.	Rs.
I	Seventy-six per cent of local cess	63,792	61,467	65,000
II	Sale proceeds of stray cattle	589	640	1,500
III	Fines for cattle trespass	1,952	2,340	2,300
IV	Ferry collections	2	10	10
VI	Fees from travellers' bungalows	95	...	50
VII	Private contributions	...	..	180
IX	Miscellaneous	71	220	320
	Total ..	66,499	64,377	69,960

3. (*I*) *Seventy-six per cent of local cess.*—The increase under this head is explained to be due to the arrears of previous years expected to be collected during 1894-95. The estimate is passed.

4. (*II*) *Sale of stray cattle.*—The increased estimate under this head, which is stated to have been based upon the actuals of the first six months of 1893-94 amounting to Rs. 877, is approved.

5. (*III*) *Fines for cattle trespass.*—The actuals of the first half of the year 1893-94 and those of the whole year 1892-93 are given as Rs. 1,021 and 1,952 respectively, while the estimate for 1894-95 is entered at Rs. 2,300 or Rs. 348 in excess of the actuals of 1892-93. No explanation is given for the increase. The omission should be supplied. Meanwhile, the estimate which is nearly the same as that sanctioned for 1893-94 will not be disturbed.

6. (*VII*) *Private contributions.*—The source from which a sum of Rs. 180 is expected should be stated. Meanwhile, the estimate will stand.

7. (*IX*) *Miscellaneous*—The increased estimate is due to the additional revenue expected during 1894-95 by the sale of manure collected in cattle pounds and weekly markets, and is sanctioned.

8. Including the estimated opening balance of Rs. 16,124, the sum available for expenditure during 1894-95 is Rs. 86,084, of which Rs. 72,553 are proposed to be expended, leaving a balance at the end of the year of Rs. 13,531, which is less than one-fourth of the receipts by Rs. 3,959. The charges have therefore to be reduced.

	Rs.
1. Civil Charges ...	19,318
2. Public works to be executed by Public Works Dept.	53,235
3. Ditto by Revenue Dept.	...
	72,553

9. The details of Civil Charges proposed, compared with those sanctioned for 1893-94, are given in the following statement:—

Items.	Details.	1893-94.	1894-95.
I	Establishment	610	670
II	Medical scholarships	521	446
III	Hospitals and dispensaries	2,018	2,750
IV	Midwives ... (*a*) Salaries	300	610
	(*b*) Scholarships	360	480
V	Sweepers for travellers' bungalows, &c.	360	420
VI	Conservancy and sanitary charges	22,580	10,250
VII	Vaccination	72	72
VIII	Contributions	1,000	1,000
IX	Miscellaneous	1,920	2,600
	Total ...	30,761	19,318

10. (*I*) *Office Establishment.*—A sum of Rs. 50 is added in the Budget under review on account of the travelling allowance of the clerks maintained in the District Office at the cost of District Funds, but the contribution payable towards the salaries of the two temporary clerks entertained in the Dewan's Office has not been included. A sum of Rs. 15 will be entered on this account and the estimate raised accordingly to Rs. 705.

11. (*II*) *Medical Scholarships.*—The provision under this head will be altered to Rs. 430 in accordance with the scale sanctioned in Government Proceedings, dated 24th December 1887, No. 5832-43—149, as per particulars given in the margin.

	Per annum. Rs.
Five pre-collegiate students at Rs. 9 each	540
Five first year students at Rs. 10 each	600
Five second do do do	600
Ten third do do do	1,200
School fees for twenty students at Rs. 25 per annum	500
Total annual cost ...	3,440
Amount chargeable to each District at one-eighth of the cost	430

12. (*III*) *Hospitals and Dispensaries.*—In the present Budget no provision is made on account of furniture for which a sum of Rs. 168 was sanctioned in the Budget for 1893-94. Hence the decrease in the provision which is approved.

13. (*IV*) *Midwives.*—There exist at present two midwives on Rs. 20 each, and three more now undergoing training in Madras are likely to be employed during 1894-95 on Rs. 15 each per mensem. The provision made on account of the cost of the five midwives will be retained.

14. *Scholarships to Midwives.*—Provision having been made for the salaries of five midwives, the Deputy Commissioner proposes to entertain four students on Rs. 10 each to undergo training as midwives, in view to their being employed in the several Taluks of the District. The estimate is in accordance with the wishes of Government contained in their Proceedings, dated 7th September 1893, No. 4629-40—L. F. 55-93, that there should be one midwife for each Taluk, and is accordingly sanctioned.

15. *Sweepers for Travellers' Bungalows and Musafarkhanas.*—Pending the information called for in Government Official Memorandum, dated 30th March 1894, No. 16145-52—L.F. 322-92, the estimate proposed will be retained.

16. (*VI*) *Conservancy and Sanitary Charges*.—The provision made under this head consists of the items noted below. The last item alone falls under this head. This is passed. The other items will be noticed hereafter.

B—Public Works to be executed by Revenue Department

17. (*VIII*) *Contributions*.—Including the sums of Rs. 1,000 and 400 transferred in paras 19 and 20 *infra* respectively, the estimate under this head comes to Rs. 2,400, which will be passed.

18. (*IX*) *Miscellaneous*.—The provision newly made on account of the construction and repair of cattle ponds and on account of the travelling allowance to the non-official members of the District Fund Board accounts for the increase in the estimate, which is approved.

19. (*I*) *Original Works*.—The provision under this head includes Rs. 1,000 on account of contribution payable towards the cost of Dispensary buildings under Proceedings, dated 16th October 1893, No. 7011-53—L F. 117-93, which must properly appear under "Civil Charges—IX, Contribution." Excluding this amount which will be transferred to the proper head, the provision comes to Rs. 11,000. This appears large considering the funds available. The marginally noted items provided for works to be executed by Public Works Department will be reduced as specified against each. Including the sum of Rs. 6,720, Item (*c*) referred to in para 16 *supra*, which should properly appear under this head, though erroneously shown under *VI. Conservancy and Sanitary Charges*, the total provision sanctioned under this head amounts to Rs. 18,720.

20. (*II*) *Repairs*.—The provision under this head also includes contribution of Rs. 400 payable under Government Proceedings, dated 16th October 1893, No. 7011-53—L F. 117-93, towards the repair of the Dispensary buildings, which must be shown under the appropriate head "IX Contribution," and not under this head. Excluding the amount of Rs. 400 chargeable to District Funds but including Rs. 350 item (*b*) referred to in para 16 *supra*, which should be transferred to this head the estimate comes to Rs. 26,985. With reference to this allotment the Deputy Commissioner is requested to state whether the mileage allotments entered in each sum includes sums payable for District Fund roads within the limits of the City Municipality as required in para 6 of Government Proceedings, dated 8th December 1893, No. 8917-9—L F. 152-92. In regard to the provision of Rs. 420 made on account of the suburban roads, information similar to that called for in Proceedings, dated 13th February 1894, No. 13138-41—L F. 152-92, should also be submitted early. Pending information, the estimate will stand at Rs. 26,985.

21. *Establishments.*—The provision made on account of Establishments, which is about 19 per cent of the expenditure on works, will be reduced by Rs. 660 with reference to the reductions made in para 19 *supra.*

22. (*V*) *Reserve.*—The provision under this head will be reduced to Rs. 1,500 on account of the paucity of funds.

23. The other items call for no remarks.

24. Subject to the explanations called for, the estimated receipts and expenditure of the District Fund of the Bangalore Circle for 1894-95 will stand as shown in the accompanying appendices, of which the following is an abstract :—

Subjects.	*Resolutions.*
I. Draft Budget Estimates of Receipts and Expenditure for 1894-95.	Passed as per Memo appended.
II. Government Proceedings No. 7224—L. F. 210-92, dated 31st October 1893, stating that there is nothing to prevent meetings of District Fund Boards being held oftener than laid down in the Rules.	Recorded.
III. The Railway Secretary's No. 680—2195, dated 28th September 1893, asking if the Board would take up the rest house at Rajankunte.	The building being very useful, the Government be requested to pay for it from the Provincial Funds.
IV. Arzi No. 200, dated 26th August last, from the Amildar of Magadi, recommending to raise the pay of the sweeper attached to the Travellers' Bungalow at Magadi from Rs. 4 to Rs. 5.	Sanctioned and provided in the draft Budget.
V. Correspondence ending with the Bangalore Executive Engineer's No. 4573—1574, dated 8th November 1893, regarding the proposal to make a fair weather road from Makalidurga to Subrahmanyaghat Devastan.	The matter be referred to the Deputy Commissioner for report.
VI. Correspondence ending with the Senior Surgeon's letter No. 1172, dated 14th October 1893, regarding the removal of the dead house at Hoskote from its present site.	The removal be sanctioned and the Executive Engineer be requested to prepare an estimate.
VII. Making a road from Gavipuram to Dodbasavanna's temple, Bangalore.	Sanctioned to be provided for the next year. The estimate to contain provision for the improvement of the road to the Dodbasavanna's temple from Bangalore City.

VIII The Executive Engineer's Memo No. 5076—1745, dated 21st December 1893, regarding the necessity of having stone road-rollers for the District Fund roads.

The Board agrees with the Chief Engineer, but is unable to find funds when provision has been made for all the necessary and indispensable services. The Board thinks that the cost may be spread over two years, in which case it is hoped that the Chief Engineer will be able to allot a portion of the cost from the reserve, which the Board has provided for the next year. If necessary, the Board will try to allot a portion from the balance.

IX. The Executive Engineer's No 5109—1751, dated 23rd December 1893, anent the opening of a road from Hulgur to Channapatna.

Several original communications sanctioned remain incomplete. The proposal may be renewed when they are completed.

X. Executive Engineer's No. 173—63, dated 17th January 1894, forwarding an estimate for Rs 881 for improving the existing cart-track from Chikjala to Rejankunte.

Estimate to be submitted to Government for sanction from this year's balance under the head "Village Sanitation and Conservancy Charges" The work to be executed by the Revenue Department.

XI. The Senior Surgeon's No 1080, dated 3rd October 1893, anent the Village Sanitation.

The Board is already spending large amounts on improvement of water-supply and drains in villages, &c. As for a District Sanitary Board, it is unnecessary, while there is the District Fund Board itself. Taluk Boards are not likely to be of any use for practical work. Small Panchayats in large villages which have no Municipal Boards may be of use. Amildars will be requested to report on this point.

MEMO.

On the Budget Estimates of Receipts and Disbursements of the District Funds, Bangalore Circle for the year 1894-95.

Receipts.

Seventy-six per cent of one anna cess on—

(1) Land Revenue of assessed lands.

1. The actuals of 1892-93 are Rs. 46,912. The probable arrears at the end of the current year are estimated to be Rs. 1 000. The estimate for the next year may be put down at Rs 18.000.

(2) On Value of Inams.

2. The estimate for 1894-95 is based on the actuals of the past year and the probable balance at the close of the current year.

(3) Amarayi
(4) Hulbann,

and

3. The estimates under these heads exceed the actuals by Rs 72 and 188 respectively. This is due to the improvement in the season and large produce of fruit trees.

(5) Other items.

4. The estimate for 1894-95 under this head is much in excess of the sanctioned estimate for 1893-94, but is based on the actuals of the past year, which amount to Rs. 637.

Sale proceeds of stray cattle

5. The actuals of the past six months are Rs. 877 against Rs 3881 in 1892-93. The next year's revenue from this source is estimated at Rs. 1,500.

Fines for cattle trespass.

6. Almost same as the sanctioned estimate for 1893-94, the actuals of the first half of the current year being Rs 1 021.

Fees from Travellers' Bungalows.

7. The probable collections on account of fees from the Travellers' Bungalows maintained by the District Funds are entered.

Sale proceeds of manure, &c

8. The estimate for 1894-95 is raised to Rs. 320, the actuals being Rs. 71. It is expected that the sale of manure of the cattle pounds and of the sweepings of weekly market may add to the revenue under the head "Other items." The estimates include the fees to be levied for the use of market sites in important places after they are enclosed.

9. The total estimated receipts for 1894-95 amount to Rs. 69,960 and the probable opening balance is Rs. 16.124, the assets aggregating to Rs. 86,084.

Expenditure.

Repairs of District Fund roads by the Public Works Department.

10. The sanctioned outlay under this head for 1893-94 is Rs. 25,435 for 410 miles. 16 miles of Kodihalli-Satur road are added to the mileage and the expenditure for 1894-95 comes to Rs. 26,635.

11. The Government in their Proceedings No. 7041-53—117-93, dated 16th October 1893, have directed that one-third of the cost of building or repairing Dispensaries be met from District Funds. Accordingly Rs. 400 for repairs and 1,000 for original works are provided.

Original Works by Public Works Department.

12. The Executive Engineer wants Rs. 14,000 for works specified in list B. These works are necessary.

Reserve.

13. A reserve of Rs. 1,000 under "Original" and Rs. 2,000 under "Repairs" is provided.

Establishment.

14. The Executive Engineer's modified proposal to have Rs. 8,000 under this head is accepted.

Tools.

15. Rupees 200 are provided for tools.

16. The total expenditure by the Public Works Department is estimated at Rs. 53,235, as detailed below :—

		Rs.
Original works	..	15,000
Repairs	..	27,035
Establishment	..	8,000
Tools and Plant	..	200
Reserve	..	3,000
	Total..	53,235

Civil Charges.

(1) Office Establishment.

17. A sum of Rs. 50 is added on account of the travelling allowance of the Deputy Commissioner's District Fund Establishment.

(2) Medical Scholarships.

18. Provision is made accordingly to the scale sanctioned in the Government Proceedings No. 5832-43—143, dated 24th December 1887.

(3) Hospitals and Dispensaries.

19. The provision under the heads "A. Establishment," "B. Contingencies," "C. For In-patients" and "D. Charge allowance" is the same as per sanctioned Budget for 1893-94. For want of information from the Senior Surgeon, nothing is provided under the head "Furniture." If necessity arises, the cost may be met from general savings, or balance.

(4) Midwives.

20. There are two midwives now in the District on Rs. 20 each. Three pupils are under training in Madras. Their course of training will terminate this year, and therefore provision is made for their employment on Rs. 15 each.

21. Rupees 50 on account of result grants and Rs. 50 for travelling allowance are provided, *vide* Government Proceedings No 4629-40—55-93, dated 7th September 1893.

(5) Scholarships to midwives.

22. Provision is made for 4 midwifery pupils, so that each Taluk and Sub-Taluk may have a midwife.

(6) Sweepersfor Travellers' Bungalows and Musafarkhanas, &c.

23. Magadi Travellers' Bungalow is a third class institution. Its watcher now gets a pay of Rs. 4, while watchers in other places get Rs. 5 each. It is therefore proposed to raise his pay to Rs. 5

N. B.—It has since been ascertained that this watcher is paid from the Provincial Funds.

	Grand Total ..	10,250

*The details are not ready and the Amildars will be asked to submit proposals

Owing to the necessity for a large closing balance, it is not found possible to provide more under this head, but the Board understands that it is the intention of the Deputy Commissioner to spend the usual annual grants from the General Local Funds largely for this purpose.

(8) Miscellaneous.

25. Provision is made for repairs and construction of cattle-pounds and on account of travelling allowance to the Non-Official Members of the Board.

26. Remuneration to pound-keepers is calculated at 20 per cent of the estimated revenue from pounds.

27. Provision is made for feeding two Amrut Mahal bulls now on hand.

28. The expenditure under all heads amounts to Rs. 72,553, as summarized below :—

I.	By Public Works Dept. ..	53,235
II.	Civil Charges ..	19,318
	Total.. ..	72,553

29. *N. B.*—At the time of the Meeting, it was understood that the above allotment of funds would have a balance amounting to 25 per cent of the receipts. But the balance left is Rs. 13,531, while 25 per cent of the receipts is Rs. 17,490. If the Government would insist on Rs. 17,490 being left as balance, the President proposes that Public Works Department Reserve under Repairs may be reduced from Rs. 2,000 to Rs. 1,000 ; that the Reserve of Rs. 1,000 for Original Civil Buildings may be omitted and that the grant for Original Works, Communications, Nos. 1 and 2, Appendix III, may each be reduced by Rs. 1,000.

READ :—

The following letter, No. 6164, dated 24th April 1894, from the Comptroller to the Government of Mysore :—

In continuation of my letter No. 5151, dated 8th March 1894, and with reference to your docket No. 16414—3601, dated 30th idem, I have the honor to report for the information of Government the result of the examination of the stamp accounts of the Shimoga District Treasury conducted under my personal supervision.

2. The salaried Vendor did not regularly maintain the 3 registers required of him under this Office Circular No. 807, dated 29th September 1870. The books produced for inspection were—

I. Vendor's Stock Account—

This has been kept from April 1883 to April 1889, but does not bear the initials of the Vendor.

II. Daily Accounts of Sales—

This has been maintained from 1st February 1889 to 31st March 1890 and from 26th July 1892 to 24th November 1893. These accounts, from the manner in which they were written up, seem only to be the Vendor's rough book, and they do not bear his initials too. The other register "Abstract Account of the Daily Sales" was not at all maintained and produced for inspection.

3. The books maintained in the Treasury Department in connection with stamps were—

1 The Treasury Officer's stock book.
2 The Treasurer's do

This book which was written up by the Stamp Gumasta was full of corrections many of which have not been attested, and there was also an item of issue the total of which was entered in pencil.

III. Office Copy of the Monthly Abstract of Stamp Accounts—

The book has neatly been kept up from March 1873 to July 1886 and initialled by the Treasury Officer almost every month. From July 1886, the office copies are not properly kept. The book is almost torn, and the sheets are all loose. They are not initialled by the Treasury Officer except in 2 or 3 months, and they abound with unattested corrections and alterations from the time the Vendor began to prepare them. From July 1890 to March 1891, the office copies are missing.

4. The amount of stamps issued to the Vendor for sale was ascertained from the Treasurer's Stock Book in which the Vendor's signature was obtained for each issue in acknowledgment of the same. There were, however, a few instances in which the issues were not so acknowledged. Although this is a gross failure of duty on the part of the Treasurer, still the issues cannot be denied, inasmuch as the value thereof has in all those instances been fully paid into the Treasury on the very day the stamps were received by the Vendor. As for the remittances made by the Vendor, the required information was obtained from his remittance book for those years for which they were available, and the entries made therein were found to be correct as compared with the Miscellaneous Receipt Register of the Treasury Account Branch, and for the remaining years the credits appearing in his favor in the Treasury Jama Register have been taken.

5. The total amount of stamps issued to the Vendor from 14th September 1882, the date of his appointment to the post, up to 10th March 1894 was Rs. 1,92,098-15-0 including the balance of Rs. 816-10-0 which was made over to him by his predecessor, and the remittance made by him in return was Rs. 1,88,356-8-0, and adding to it Rs. 10-2-0, the value of labels found in the Vendor's box and credited to stock on the 10th March 1894, the total sum remitted is Rs. 1,88,366-10-0, thus leaving a balance of Rs. 3,732-5-0 to be accounted for by the Vendor.

6. The accounts prior to 1887 were prepared in the English Account Branch of the Treasury and from April 1887 this duty seems to have been entrusted to the Vendor, who has in this very month committed fraud by altering the correct balance of Rs. 844-4-0 against him to Rs. 444-4-0 to agree with that shown in the copy sent to my office. The difference of Rs. 400 has been added on to the actual balance in Taluks. However, in the subsequent month, the amount has correctly been accounted for as against himself.

7. The second fraud was committed in December 1888. The actual balances at the close of the months from December 1888 to June 1889 and the balances shown in the return of those months sent to my Office were —

	Actual Balance against the Vendor.	Shown in the return sent to Comptroller.	Difference added on to Taluk Balances.
December 1888 ...	632 10 0	432 10 0	200
January 1889 ...	634 7 0	534 7 0	100
February 1889 ...	833 6 0	433 6 0	400
March 1889 ...	961 11 0	461 11 0	500
April 1889 ...	950 13 0	445 13 0	505
May 1889 ...	950 13 0	445 13 0	505
June 1889 ...	961 1 0	496 1 0	465

These differences which were shown against Taluks in the returns sent to my Office were completely made up in July 1889, when the balance of Rs. 491-12-0 has correctly been shown as against him.

8. The balances thereafter continued to be correctly shown up to the end of January 1890, when it was Rs. 497-4-0.

9. In February 1890, stamps to the value of Rs. 1,489-4-0 were issued to him, and adding to this the opening balance of Rs. 497-4-0, the total amount was Rs. 1,986-8-0. The remittances made by him during the month were Rs. 1,356-6-0, thus leaving a balance of Rs. 630-2-0 against him. But in the return sent to my Office, only Rs. 490-2-0 have been shown as such. In the same manner fictitious balances were continued to be shown in the returns of the subsequent months till December 1893, in which month, he had entered in the accounts only Rs. 261-5-0 as against him, while it ought to have been Rs. 3,737-15-0.

10. From the facts above stated, it would seem that the official Vendor was placed in complete and sole possession of all stamp accounts, both District and Taluk, and that no check whatever was exercised over him either by the Treasury Officer, his Accountants, or the Treasurer.

11. The first and the most serious irregularity that was committed, was the taking away of the duties and responsibilities of the compilation of the stamp accounts from the regularly organized Account Branch and transferring them to a minor official who was also entrusted with the sale of stamps on his own account, thus giving the latter every facility to manipulate the accounts as suited him best. This deviation from established procedure is stated to have been ordered when Mr. Panchanatha Rao was Treasury Officer. Neither the records of the District Treasury nor of this office bear out this statement.

12. The Head and other Accountants who have initialled these accounts sent to my Office do not appear to have at all checked them. Neither the Treasury Officer, Mr. Nagesa Rao, who has passed the indents, nor the Treasurer who has issued the stamps, appears to have verified even once during the long period of 7 years the balances in hand, as shown in the Stamp Vendor's numerous indents.

13. The Treasury Officer has not even once during the above period examined the stock in hand with the Stamp Vendor, though under the rules, he is strictly enjoined to do so twice every year. Lastly, some of the returns submitted to this Office in 1890 are found to be no exact copies of those kept in the Treasury.

14. The Head Accountant who has initialled these returns has been grossly negligent. The Stamp Vendor has now been committed to the Sessions by the District Magistrate.

15. Copies of the proceedings are herewith submitted.

16. I beg to add that there has been some delay in the submission of this report, as I had to wait for a copy of the proceedings of the preliminary enquiry held by the District Magistrate.

No. 20240-41—G. 4579, DATED, BANGALORE, 23RD MAY 1894.

ORDER THEREON.—The letter read above fully explains the manner in which salaried Stamp Vendor Venkoba Rao drawing his supplies of stamps from the Shimoga District Treasury has been enabled to embezzle Government money to the extent of Rs. 3,732-5-0 by fraudulent transactions extending over a period of upwards of 7½ years. The papers disclose a flagrant and systematic disregard of the commonest precautions which the standing orders prescribe. The Vendor furnished security to the extent of Rs. 500 and was entitled to receive stamps and labels on credit to that extent. But he was given larger credits on the strength of his indents falsely showing small stock in hand. His Account Books were ill kept and were never examined, though by para 11 of Account Department Circular No. 807, dated 29th September 1870, they should have been sent for and examined once a quarter by the Treasury Officer, in order to ensure their being properly kept up. The stock in his hands was never examined, though such examination and a certificate to that effect are prescribed by the Account Department Orders of 7th September 1869 repeated in the Circular of 13th October 1874. In the returns to the Comptroller, larger stock was shown against Taluk Treasuries than what Amildars in charge of those Treasuries had acknowledged in their returns to the District Treasury, and the Vendor's stock was reduced by a corresponding extent—a method of fraud which was facilitated by the highly objectionable system unauthorizedly adopted by the Treasury Officer of Shimoga under which the Stamp Vendor was allowed to compile the Taluk returns for submission to the Comptroller. The Treasury Officer seems never to have compared the acknowledgments of Amildars with the return of them sent by him to the Comptroller, thus showing that the certificates in the terms marginally quoted which he deliberately appended to them were utterly incorrect.

Certified that I have examined the stock in this Treasury and found them to be correct and that the Amildars have similarly certified to the stock in their Treasury.

2. It appears from the Comptroller's report that the defalcations first began in April 1887. The then embezzled amount was replaced next month.

The second embezzlement commenced in December 1888 and the amount embezzled recouped in July 1889. The third embezzlement began in February 1890 and continued uninterrupted till its discovery in December 1893. From a statement received from the Comptroller and printed hereunder, it appears that with the exception of a few short intervals of a few days at a time, Mr. Nagesh Rao was the Officer in charge of the District Treasury from 1st July 1886 to 12th November 1892, and Mr. K. Ramanujaiengar from 13th November 1892 to 15th May 1893, during Mr. Nagesh Rao's absence on leave, and that Mr. Nagesh Rao has, since the 15th May 1893, been in continuous charge of the Treasury. It follows that these Officers are largely responsible for what has occurred.

3. The Head Accountant, as the principal ministerial Official responsible for the correct compilation of the accounts, is also responsible, and the Deputy Accountant, whenever he may have prepared the return for the Head Accountant. Government will look to these Officials for whatever of the embezzled money cannot be recovered from the Vendor's property.

4. The Deputy Commissioner will report what steps he has taken for realizing the misappropriated amount and with what result, and in order to enable Government to apportion the liability for the deficiency, the Comptroller is requested to furnish Government with a statement in the following form for every one of the periodical returns for the three periods of embezzlement above specified, during which the prescribed certificate of verification of balances has been furnished:—

(1). Date of certificate.

(2). Name of the Head Accountant attesting it.

(3). Name of the Deputy Accountant attesting it.

(4). Name of Treasury Officer signing it.

(5). Balance shown in the Return against Taluks.

(6). Correct Balance.

(7). Difference between (5) and (6), being the amount by which the Vendor's stock was shown to be less in the Return to the Comptroller's Office.

5. These orders will be communicated to the Officers above named, who are at liberty to submit any representation they may wish to make in the matter.

6. The Deputy Commissioner is requested to ascertain and report who the Treasury Officer was who first adopted the system under which the Stamp Vendor was allowed to compile the returns to the Comptroller's Office. The Comptroller's report names Mr. Panchanatha Rao as this Officer. But the practice began in April 1887, and then Mr. Nagesh Rao seems to have been the Treasury Officer. Whoever the Officer, he will in addition be called upon to explain this very reprehensible action of his.

ORDER.—It is observed that Heads of Departments, when referring to communications from this Office, quote their numbers omitting the letters G, G. F., R., R. F., &c., prefixed to those numbers. The letters in question are meant to indicate the Branch of this Office to which the reference relates, and their omission causes inconvenience and delay in the disposal of papers by this Office. Heads of Departments are therefore requested to see that when communications from this Office are quoted, the number together with the Departmental letter relating thereto is invariably given.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

MAY 1894.

READ:—

Petition No. 1113, dated 1st November 1893, from Timmappa, Shekdar of Sivané Hobli, Tarikere Taluk, appealing against the order of the Deputy Commissioner, Kadur District, suspending him from his office for three years.

2. Letter No. 341, dated 14th December 1893, from the Deputy Commissioner, Kadur District, submitting proceedings with a report on the above case.

No. 19686-7—PET. 1860, DATED, BANGALORE, 12TH MAY 1894.

ORDER THEREON.—From a perusal of the report read above, it is clear that if the Appellant's previous record be taken into consideration, he is not entitled to leniency. The irregular conduct for which the present punishment was passed, was however not of that serious character which required so severe a punishment as three years' suspension. Moreover, Government are of opinion that a prolonged suspension of this kind is most undesirable in the interests of the public service. Three years' idleness is not likely to improve the suspended individual. It is far better to dismiss him altogether than to suspend for three years.

2. Under such circumstances, the Deputy Commissioner is requested to remit the unexpired portion of the period of suspension and to re-instate the Petitioner.

Extract of para 2 to Comptroller to Mysore Government.

Appeal No. 2358 of 1893-94.

Appellant . . Ramanna and other goldsmiths of Bangalore by Mr. B. Ramanna, Advocate.

Decision.—Petitioners, who are goldsmiths of Bangalore, complain that they have been charged with double tax, *viz.*, house tax and shop tax. The charge has been made under Government Order, dated 27th May 1887, No. 990, but a double tax on one and the same property seems objectionable, and the Deputy Commissioner is requested in future to levy either shop tax or house tax as the case may be, but not both. If only a portion of the house is used as shop, that portion alone is liable to shop tax, the other portion being liable to house tax.

2. Petitioners say that they do not make and sell jewels, but only make jewels for hire, and that therefore they are not liable to shop tax at all. This is a question of fact which the Deputy Commissioner should upon proper enquiry dispose of according to the principle laid down in para 1 of Government Proceedings, dated 11th June 1892.

3. Petitioners are not entitled to any refund of the taxes already paid under the rules.

MUZARAYI.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 16th May 1894.

READ :—

Correspondence ending with letter No. 592, dated 26th February 1894, from the Deputy Commissioner, Hassan District.

No. 1219-21—MUZ. F. 96-92, DATED, BANGALORE, 16TH MAY 1894.

ORDER THEREON.—From the records submitted by the Deputy Commissioner, it is observed that wet land Maji No. 74, extent 13 Kudus 12 Padis, assessment Rs. 8—11—8, of Hassan Kasaba was Devadaya Inam granted to Chitambaresvaraswami at Hassan. During the Inam Settlement in 1880 the land was resumed to Government as the idol was displaced. In the same year, one Chaudaiya applied for and obtained it for kandayam. In 1882-83 when the Survey Settlement took place, the land—now Survey No. 110, extent 1 acre and 11 guntas, assessment Rs. 6-8-0—was confirmed in Chaudaiya's name. In 1891, Nadig Channakesavaiya re-established the idol and had the services renewed at his own cost, and claimed the Inam land for the temple. Enquiry showed that the present occupant, who refuses to part with the resumed land, had obtained it through fraud and collusion, and the Deputy Commissioner recommended cancelment of Patta. But having regard to Chaudaiya's long possession, Government in Proceedings No. 895-6, dated 3rd June 1893, directed the Deputy Commissioner to submit separate proposals for other equivalent eligible land being assigned to the temple as Inam. The Deputy Commissioner now proposes that the unassessed dry lands described below may be so assigned :—

VILLAGE	SURVEY NO	NET EXTENT. A.	G.
Hullenhalli	10	3	34
Do	6 (part)	2	30
Do	Village site	1	7
	Total ...	7	31

Hullenhalli is a Bechirakh village. Survey No. 10 appears to have been set apart for a tope. But it is reported that there is not a single tree on the land. An extent of 34 guntas has been deducted as kharab on account of the way, &c., existing on the land, and the rest of it is proposed to be assigned. Survey No. 6 is Gomal land. The villagers concerned have no objection to a portion of this land and to the abandoned village site being granted as Inam. The Deputy Commissioner recommends the grant of lands equal in assessment to the Maji Beriz of Rs. 8-11-8 fixed upon the wet land resumed, and has selected unassessed dry lands to the extent required.

2. Under these circumstances Government are pleased to sanction the grant to the temple of Chitambaresvaraswami of the proposed land Inam of Rs. 8—11—8 per annum. If the assessment of lands proposed as Inam is greater than this amount, the difference should of course be charged as quit-rent. The necessary entries in the village accounts should be made and a final report submitted for the information of Government.

Secretary.

READ:—

The following letter No. 444, dated 14th August 1892, from the Deputy Commissioner, Mysore District:—

"I have the honor to acknowledge your Official Memo No. 70, dated 9th May last, forwarding for my opinion a petition from Mr. M. Krishnaiengar, Amildar of T. Narsipur Taluk, (now Extra Assistant Commissioner, Mysore District,) applying for grant of a piece of land known as Thavarè Katte in the Bonnur village.

1. The land in question is about 6 acres in extent and is a swamp known as Kunner Katte (also called Thavare Katte) now covered with rank vegetation. It was formerly the bed of a reservoir of tail water of the Bonnur tank and is now silted. It can be converted into a rice or garden land at a cost of about six or seven hundred rupees and is sought for eagerly by many of the raiyats of the place for cultivation, being within 2 furlongs from the village.

2. In October 1888, the villagers as a body petitioned to the Government as well as to His Highness the Maharaja praying for the grant of the land in question for making a permanent provision for the worship in the temple of Ramadevaru in their village, and the correspondence on the subject is still pending disposal. The temple had fallen into ruins and had been neglected, the principal idol having been broken by a mad man. At the Inam Settlement the ready money allowance of Rs. 2—6—9 per month which the institution had been enjoying formerly was resumed, owing to the non-performance of the worship in the temple. But the Government was, however, on repeated representations of the raiyats, pleased to view their request with favor and to promise the restoration of the ready money allowance on condition of their repairing the temple at their own cost.

3. The villagers have accordingly raised about a thousand rupees by subscription and almost completed the repairs of the temple, replaced the broken idol by a new one, and arranged for its worship. And the time for restoring the ready money grant to the temple has now arrived as promised by Government in Docket No. 2266—96, dated 26th June 1882. But the allowance being very insignificant, it is quite inadequate to meet the cost of daily worship as well as the up-keep of the institution. The temple is on the high road, and serves as a good halting place for travellers on the Mysore-Kankanhalli road, Seringapatam and Sosale road, as there are no chattrams, &c., in the Bonnur village which is overcrowded. If the daily Puja be maintained and the temple be kept in good repair, it will be a boon to the public. Under these circumstances, I consider the application of the villagers very reasonable and one deserving of first consideration, though I am sorry to disappoint Mr. Krishnaiengar.

4. The land is capable of yielding a profit of about Rs. 100 to 150, and it may be shared equally between the temple referred to and the one at Somanathpur. The latter is known as the finest piece of architecture in these parts, being second only to those of Halébid and Belur. It will soon be kept in proper repair by the Public Works Department on account of its architectural merit. But unless the Puja in the temple be kept going on properly, it is not likely to be resorted to as freely as could be wished and it may gradually relapse into disrepair. There are idols in good condition requiring only to be sanctified to become regular objects of worship but the present Tasdik is a very paltry sum and is now applied to pay the watcher in the temple. My proposal is therefore that the land in question be registered as Inam in the name of the two temples in equal shares and placed under the management of the Muzarayi Department for their benefit, and I earnestly beg that the same may be sanctioned as it will be productive of public good and be an act of great condescension on the part of Government towards the villagers in the neighbourhood.

READ ALSO:—

The following Memorandum, dated 13th May 1894, by the Muzarayi Superintendent in Mysore:—

"I inspected the Sri Ramadevaru temple at Bonnur on the 2nd ultimo. The temple had been thoroughly repaired by the villagers at a heavy cost and

worship duly revived. The ready money allowance and the Inam lands of the temple, which were resumed during the Inam Settlement, may now be restored to the institution.

2. I also inspected the Kunner Katte land referred to in the Deputy Commissioner's letter in company with the District Muzarayi Officer Mr. Nanjundaraj Ars. The land which was formerly the bed of a reservoir is now completely silted up. It is at present lying waste and overgrown with weeds and rushes. The endowments to the temples at Bonnur and Somanathpur being very small, I would support the recommendation of the Deputy Commissioner Mr. Rangaswamaiengar to register the said Kunner Katte waste land as Inams to the two institutions in equal shares.

3. The temple at Somanathpur was also inspected by me. It is one of the finest pieces of temple architecture in the Province and is in a pretty good condition. Worship in the temple is not now conducted owing probably to the recent execution of certain repairs by the Public Works Department. It will, however, soon be revived."

No. 1222-4—Muz. F. 98-93, dated, Bangalore, 17th May 1894.

Order thereon.—Under the circumstances represented in the above, the Government are pleased to direct that the Kunner Katte land in question (also known as Thavare Katte) be registered as Inam in favor of the two temples noted in the margin.

(1) Sri Ramadevaru temple in Bonnur.
(2) Sri Venugopalaswami, Kesavaswami and Janardanaswami temple at Somanathpur.

2. The Muzarayi Superintendent will arrange for the improvement of the land from the funds to be supplied by the devotees of the institutions and to utilize the annual income thereof for the benefit of the two temples in equal proportions.

3. As it is also reported that the Sri Ramadevaru temple in Bonnur has, subsequent to the Inam Settlement, been repaired at a heavy cost by the devotees and worship duly revived therein, the Government are further pleased to sanction the restoration to the institution of the ready money allowance of Rs. 29 per annum and the marginally noted Devadaya Inam land, both of which were resumed during the Inam Settlement as the temple was then found to be in a state of disrepair and the services therein discontinued.
